Trust

The front cover of this leaflet illustrates our school's 15 Christian Values. We teach our pupils about these and emphasise that they are different from our Learning Values. These leaflets are for adults who may wish to know more about our Christian Values.

Our School Values can be found in writing near Maple Class and in practise they can be found underpinning all the work of our school.

We talk about 5 Christian Values per term in class and they are also reflected in our weekly Worship Themes.

The Christian Values are not separate but link together the beliefs of Christians. One is not more important than the other and therefore our leaflet cover represents them as interlocking building bricks of faith.

There are 15 leaflets with information about how each value defines itself in Christian faith.

Even if you choose not to be a Christian the leaflets may have information that helps you in your life's journey - or just makes you stop and reflect.

I hope that you find these leaflets helpful and informative.

Trust

Trust is the very essence of faith; trust in the God who is himself trustworthy.

Trust is essential to human life and lies at the heart of all relationships. Trust necessitates vulnerability, putting ourselves in others' hands. We have to trust experts such as pilots, dentists, surgeons.

Relationships are founded on trust. The wording of the Christian marriage vows sends out a strong message about Trust and Love.

Trust is central to living together in harmony, so it is to be valued and honoured. With wisdom and discernment, we can learn to trust.

We can begin to rebuild trust, in our sometimes mistrustful society, by being reliable ourselves, by not letting people down.

Similarly, when we work with others, if we are willing to let go of control ourselves and trust in the abilities and integrity of others, everyone can be enriched. Jesus, after all, entrusted his ongoing work to his disciples and ultimately to us.

What do we do in school in response to Trust?

In school we use Godly Play, Worship and Religious Education to learn about Trust in the Bible such as the story of The Good Shepherd.

We learn to Trust each other through consistency of approach and through trying not to let others down.

Learning to make choices in all areas of our life is about learning to Trust ourselves and our own judgement.

We have the choice to Trust in God and we learn this through many areas of our school lives.

Global Learning helps us to discover that there are many people living different lives to us and that we can learn to Trust people who initially we may be anxious about.

Through working and playing we can build Trust between ourselves.

When Trust breaks down we work hard to rebuild it through the way we act towards each other and though revisiting our school rules.
