<i>Friendship</i>	<i>Reverence</i>	<i>Thankfulness</i>	<i>Humility</i>
<i>Justice</i>	<i>Trust</i>	<i>Wisdom</i>	<i>Forgiveness</i>
<i>Hope</i>	<i>Creation</i>	<i>Endurance</i>	<i>Service</i>
<i>Peace</i>	<i>Compassion</i>	<i>Fellowship</i>	

Creation

The front cover of this leaflet illustrates our school's 15 Christian Values. We teach our pupils about these and emphasise that they are different from our Learning Values. These leaflets are for adults who may wish to know more about our Christian Values.

Our School Values can be found in writing near Maple Class and in practise they can be found underpinning all the work of our school.

We talk about 5 Christian Values per term in class and they are also reflected in our weekly Worship Themes.

The Christian Values are not separate but link together the beliefs of Christians. One is not more important than the other and therefore our leaflet cover represents them as interlocking building bricks of faith.

There are 15 leaflets with information about how each value defines itself in Christian faith.

Even if you choose not to be a Christian the leaflets may have information that helps you in your life's journey - or just makes you stop and reflect.

I hope that you find these leaflets helpful and informative.

Creation

Belief in God as creator is not merely a belief about how everything began. It means that we place the highest value on this earth and see life as God's gift.

In Genesis, God gives humans certain rights over his creation. With these rights, come responsibilities. We must care for God's world.

We are stewards. A steward manages an estate on the owner's behalf. We have been given the earth to look after by God and to hold it in trust for future generations.

If the earth is to sustain our children and succeeding generations, this clearly places limits on how we treat the earth.

Harvest reminds us of our dependence on the earth for our survival, and leads us to thank God as the ultimate source of all the earth's riches.

Please turn over the page to find out some of the ways we celebrate Creation in our school

What do we do in school in response to Creation?

In school we teach children how to look after our wonderful world. We have an adults and children's Eco -Team who have written our Eco Code. This code reminds us how to look after our amazing world.

We grow our own fruit and vegetables; have a wild area and pond. Children are taught how to be sustainable, look after God's World and save our resources for future generations.

Our school mission statement is 'Learning together to serve God His World and all His people". Part of this service is to be good stewards of Creation.

In Worship we learn about the awe and wonder of Creation as told in the Bible. In Religious Education we use our Godly Play activities to learn more about Creation.

We have our Green Eco flag and continue to think of new ways of being effective Eco Warriors to save the resources in God's world.

Through celebrating Harvest Festival both in school and in our local churches we emphasize God as creator and provider.
