

Minutes for School Council Meeting
Wednesday February 12th 2015

1. The governors wanted to find out what the School Council and their classes thought their new headteacher in September should be like!

Here are the answers:

Our Headteacher should be:

nice, helpful, caring, creative, beautiful, exciting, kind, helpful, happy, sensible, lovely, able to make decisions, good at computers to make our certificates, generous with their time, good at leading worship and believe in God, have nice eyes, someone who talks nice, peaceful, best headteacher in the world.

Our Headteacher should:

not be too angry, a little bit strict, look after our school, be a good person, give certificates or badges, help the school governors, be fun, be healthy, praise children, give us more toys for the school, help us, know what is going on, be kind to us all, make our school clean, someone who does lots of charity money raising, be good at sharing, visit classrooms.

We would like our Headteacher to:

be a role model, read the Bible, say thankful prayers, be truthful, be intelligent, be serious but funny, be able to cheer us up, be a good listener, always say hello to us, be someone who is polite, look after our school, speak kindly, help us, come out into the playground to see how all the children are playing and behaving.

AOB – the School Council asked Mrs Appleby when their special caps would arrive. Mrs Appleby has ordered them and they will arrive after half term.
