

Minutes for school council meeting.

Friday 4th December 2015

- Children went through all posters in each class. We discussed what thought were good ideas and which posters would be most effective. We discussed which gave good messages about anti-bullying.
- We decided the winners are to be announced during a celebration assembly and displayed in the school. Drew suggested that the posters be put on sticks and laminated and be placed in our playground.

AOB- Children would like to assist to put the posters on a display, this will happen during our next meeting.
