We were really pleased to see that all of the statements above received very positive parental feedback. Our school governors would like to see this positive feedback reflected in the feedback about Bishop Tufnell on Ofsted's Parent View website. We would really appreciate if you could spend a few minutes on line to tell them how good our school really is! Thank you.

Whilst we are very happy that your feedback is so encouraging, we acknowledge any concerns raised and I attach a response to your written comments. Please come in for a chat if you have any further ideas about how the school can improve from being a very good school to become outstanding. Thank you also to those parents who volunteered to give extra help to the school. Please see your class teacher if you have not already done so to see how we can make best use of your talents.

Best wishes,

Shane Morton - March 2016
