Smaller events that are BTI or BTJ school specific will be kept separate and funds raised at those will go to the school that has put on the event however we will all work together to put on the events and help out where needed.</p> <p>Bonfire Night -6/11 Fireworks have been ordered and paid for. Food options discussed and group have chosen to go for hot dogs, burgers and will look into chips. DB to do the food SC to look into possibility of small fairground rides to attend the event</p> <p>Christmas Tea towels and fundraising cards were discussed and group agreed to do again this year for BTI and will more than likely send out both to BTJ as well.</p> <p>Other ideas for Christmas were talked about with the possibility of running the Christmas fayre straight after school on a Friday as feedback from others would suggest parents would prefer this.</p> <p>Other Ideas discussed were school Cookbook and 'a day in the life of' DVD's</p>	<p>DB SC</p>
