

School council minutes

Date: Friday 3rd February 2017

- Children were given new school council badges if they had lost them.
- We discussed playtimes and ideas to improve them.
Children discussed lots of different ideas to improve playtimes. They felt more equipment would make them happier at playtimes. They also like the idea of going to a lunch time club.
- We wrote a questionnaire for each class to complete:
 1. Do you want more equipment to play with at playtimes? For example, footballs?
 2. Do you think we should be allowed on the shared playground?
 3. Would you like to take part in more lunch time clubs?
 4. If so which clubs?
Football, art, skipping, construction and tennis were some suggestions.
- Mrs Griffiths to type up. SC members to then take back to own classes and complete.
- Children to next meet to discuss the results of the questionnaire.
