

## Minutes from school council meeting

Date: 29th September 2017

Welcome to school council and congratulations!

- Children introduced themselves
- Mrs Griffiths took pictures of each school councillor for new display
- What is the role of a school councillor? We discussed the role and how important the role is within our school.

We decided a good school councillor is someone who:

- is a good friend
- a good listener
- can follow the rules
- can talk confidently in meetings
- can come to meetings and take part
- talk each week in celebration assembly with the 'headlines of the week'.
- Mrs Griffiths showed the school councillors the new display and where the minutes of each meeting will be displayed each week.

Next meeting: Friday 13th October
