## Phonics Groups and Spellings in Key Stage 1

Dear Parents and Carers,

As you are aware all Key Stage 1 children have a daily phonics lesson, working in groups at their specific level. Every Friday your child will bring home spellings specific to the words and phonics that they have been learning that week. It is really important that your child has the opportunity to practice these words daily at home. We recommend the look-cover-write-check method and would also encourage you to muddle the order of the words up too.

Children are then tested on these words the following Friday. If your child confidently practices them at home, please encourage them to try writing them in sentences. It is a good idea to keep each week's spellings and regularly go back and check your child remembers how to spell these words.

If you need any further support please either speak to your child's class teacher or contact me directly.

Thank you for your continued support.

Mrs N Leslie (English Leader)
