BISHOP TUFNELL C.E. SCHOOL Y2 EXIT SURVEY 2013

31 / 91 Questionnaires were returned. (34% of Y2)

| <i>Questions</i> | <i>YES</i> | <i>NO</i> | <i>Comments</i> |
|---|-------------|-----------|---|
| 1. <i>I feel the school encourages parents / friends / carers to play an active part in the life of the school.</i> | 100% | | <i>Probably a bit too much, difficult for working parents then feel guilty for not attending assembly's etc. x 2 Really important to involve parents. Excellent. I have loved coming to all the plays, sports days, beach days and Assemblies.</i> |
| 2. <i>I have found it easy to approach the school with questions or problems to do with my child.</i> | 100% | | <i>You have provided my child with so much support. Teachers and staff are very friendly. Very. I have had an amazing experience! Always easy to approach Mrs Appleby on school gate and easy to ask teacher after school to discuss any problems or ask for help at home. Teachers very personable and easy to talk to.</i> |
| 3. <i>The school has given me a clear understanding of what is taught</i> | 97% | | <i>Definitely.</i> |
| 4. <i>The school has kept me informed about my child's progress.</i> | 100% | | <i>Y2 summer reports do not give enough detail. Good to have more targets in preparation for Y3. Even though my child was making good progress and is able, teacher still provided me with strategies to help him improve. Always kept up to date and informed. Teacher has discussed after school.</i> |
| 5. <i>My child has made good progress.</i> | 100% | | <i>I have paid for extra tutoring not school's fault - children need more opportunities than a class of 30 can provide. Especially in Y2. Very Pleased. Excellent progress teacher fantastic. Excellent standards of teaching. My child progressed enormously, from a range of topics and different interactive ways - could improve on teaching reading with a more organised reading structure.</i> |

| | | | |
|---|-------------|-----------|---|
| 6. <i>The school's values and attitudes have had a positive effect on my child.</i> | 100% | | <i>My child told me that he wasn't going to call another child names (who had been horrible to him) because in worship he had learnt to care about other's feelings. Very Pleased.</i> |
| 7. <i>The school achieves high standards of good behaviour</i> | 94% | | <i>Most children are perfect but it's the same children that cause upset, and continue to. Absolutely and for reminding my child when he forgets the 5 rules. Very Pleased. I love the fact that in celebration assembly their behaviour is picked up upon and the children seem to respond to this.</i> |
| 8. <i>My child is happy at school.</i> | 100% | | <i>My child really enjoys school. My child is always happy to come to school and looks forward to attending after school holidays. Always happy.</i> |
| 9. <i>I think it is good practice to mix classes when moving to Y3.</i> | 74% | | <i>25% said that either they would not know until the end of Y3 or that it should depend upon the individual year group and class mix. No-one answered no. Better to let the juniors deal with it. Would be nice for children to express who they would like to be with x 3 Important my child with be with others based on his learning and not friendships. Helpful to have a change and encourages my child to build up confidence and make new friends. Move to KS2 good time to mix them up. Very important for children to learn how to adapt to change and this is a good opportunity. I trusted my child's teacher to make the right decisions - they see them and how they interact at school.</i> |
| 10. <i>Do you find the termly year group letters useful?</i> | 97% | 3% | <i>We don't know what they are. It is useful to have this information as we have been able to reinforce the topics at home. Very x 2 Extremely helpful. I would prefer topics in advance so holiday time can be used to research. It means we know what's going on!</i> |
| 11. <i>I would recommend this</i> | 100% | | <i>Have done in the last week! Always x 2</i> |

| | | | |

| <i>13. My child has attended after school clubs.</i> | 84% | 16% | <i>Started football but stopped - not very well organised. My child went to Don't Worry be happy club, really built up his confidence and made such a difference to his attitude and made him more positive. Due to my working commitments. Did dancing which was great but would like more science based clubs.</i> |
| <i>14. The Christian Ethos is evident at this school.</i> | 100% | | <i>Massively - both in learning about it and also in Christian values - i.e. how you should treat others. Very. Agreed.</i> |

Thank You for all your comments. Thank You for all the positive comments about your experience at Bishop Tufnell CE Infant School.

Where the yes/ no answers do not add up to 100% it indicates that some parents gave their answer as in-between yes and no.

Thank you equally for your constructive comments on how we can improve.

I will be sharing all your comments with the Governing Body and Staff and we can plan how to improve further. It is fantastic to know that so many of you are happy with our provision and care for your families.

In the spring term 2014 we will be sending home a questionnaire to all parents and I will ensure that your responses also feed into that one.

As always, if you want to discuss anything further with me - you know where to find me!
